

## **BC Adolescent Health Survey Coordinator – Job posting**

McCreary Centre Society (McCreary) is seeking a community-oriented individual with strong quantitative data analysis skills to coordinate the BC Adolescent Health Survey and support with other survey research.

The successful candidate will be organized, personable, a team player, and able to connect with diverse youth and adult stakeholders. They will also be comfortable using SPSS statistical software and translating statistical findings into community friendly reports.

Salary: \$65,590 per annum for 37.5 hrs per week.

Employees are entitled to health benefits upon completion of six months employment. Additional benefits include professional development and health and wellness funding, and an optional RRSP/TFSA scheme.

We are committed to Truth and Reconciliation and to ensuring equity, diversity and inclusion in all aspects of our work. We actively encourage applications from members of groups with historical and/or current barriers to equity.

This is not a remote position and will be based at McCreary's office at 3552 East Hastings Street, Vancouver. Hybrid working may be possible at times.

### **To apply:**

Please forward your résumé and a cover letter detailing why you are interested in the position, as well as how your previous experience relates to this position to:

Hiring Committee, McCreary Centre Society, 3552 East Hastings Street, Vancouver, BC, V5K 2A7  
e-mail: [mccreary@mcs.bc.ca](mailto:mccreary@mcs.bc.ca)

Please note: **Applications without a cover letter will not be considered.**

**McCreary does not use AI tools in the hiring process, and strongly discourages the use of AI tools when applying for this position.**

Interviews for the position will take place until the position is filled.
